Dear Dave

A group of our Year 4 children visited your college on Monday 28 November to participate in a PE coaching session with Year 11 Junior Sports Leader Award coaches.

On the return of our children to school the teacher, Miss McGrath, expressed her delight and admiration for the way in which the students had excelled at teaching Year 4 hockey/rugby skills and in the observation of their peers whilst teaching giving them positive and constructive advice. Miss McGrath and the children stated that they had had a fantastic morning and were made to feel very welcome.

Therefore I would appreciate if you could pass on our thanks to Maureen Horn and to the students for the very kind invitation and the care and attention paid to our children during their visit. We would certainly welcome future invitations to be similarly involved.

Yours sincerely
