Dear Mr Cairns,

I would like to thank you and your staff for making it possible for pupils to attend and participate in this year's Local Democracy Week debates. The event was very successful and the students representing St Cuthbert's were a credit to the school.

I will be writing to you shortly to outline how we would like to extend this work and how we can link it into the wider Citizenship curriculum, but in the meantime I enclose leaflets from Connexions with regard to the forthcoming elections for the UK Youth Parliament. I will also be sending this information to the Citizenship Co-ordinator.

It would be excellent if we could encourage representation from your school and if any pupils would be interested please could you let me know as soon as possible.

I also enclose the CD of photographs taken by the Council at the event. I have not looked at them thoroughly but some of your pupils may be on there somewhere. The CD is for you to keep.

Yours sincerely,

Barbara Constantine
