Pupils get taste of life at big school

THESE youngsters enjoyed showing off the best their school has to offer.

Pupils from St Cuthbert's Catholic Community College for Business and Enterprise played a leading role in the school's recent open day.

Parents and children from St Cuthbert's feeder primaries were treated to a tour of the school's facilities.

They were welcomed into classrooms to talk to pupils about what they were learning and joined children from the college's feeder primaries in their Tuesday Club.

Here, they were taking part in a mini olympics, cooking and making key rings. The Tuesday Club helps new starters to feel 'at home' once they join St Cuthbert's, gives them a chance to meet the staff who will be teaching them and gives them a taste of the activities they can look forward to.

News In Brief

Community fun day

BREAKDANCERS and a bouncy castle are just some of the attractions at a community event at the Duckeries on Derbyshire Hill Road, Parr on Saturday, September 15. Organised by St Helens Council, St Cuthbert's High School and the Duckeries Focus Group, the event kicks off at 11am.

Visitors will be treated to displays by birds of prey, a circus skills workshop, ferrets, a brass band and cheerleaders. Helena Housing, Merseyside Police and Sure Start will also be providing information and activities.
